Quick: Directly deposited tax refunds come weeks before checks in the mail.

Easy: Just check the Savings or Checking Account box, enter your credit union member number (not the last four digits of your social security number) and enter our routing number 226077862.

Convenient: You don't have to go to the credit union to make a deposit.

Safe: Your check won't get lost or stolen in the mail.

If your tax return is a joint return, your refund must be deposited into a joint account. Direct deposit must go through the ACH process since we do not support wire transactions.

Direct Deposit And Your Tax Refund: What A Pair!

Your federal and state income tax refunds can be deposited directly into your Savings or Checking Account at the credit union.

GETTING AHEAD PROGRAM

Congratulations to All the Members who graduated from the Program this year!!

Way to Go!

Start the New Year Off Right...

with a Holiday or Vacation Club

Are you borrowing too much money during the vacation and holiday seasons? You don't have to! 1199 SEIU FCU offers Vacation and Holiday Clubs that save you money. When you rely on credit for vacation and holiday expenses, you also have to pay interest charges. Payroll deduction to either of these accounts adds up quickly, and better yet, there is no set amount to deposit. You will be surprised how much you have saved when your vacation or holiday time comes around.

- Dividends earned on balances over \$100.00.
- Payout occurs in October for Holiday Club Accounts and will be deposited directly into your savings account.
- Early withdrawals maybe subject to a fee.
