## We Are Fully Committed to Helping Our Members!

Due to a gas leak, we had to close access to our building beginning February 6. Understandably, this was an inconvenience to everyone, both staff and members. Although we were operational, we did work under certain limitations, namely operating under a different location(s) at different times of the day & mostly working through e-mail, telephone and fax. Our loan department must be recognized for working under these limitations to get our existing and new loan applications processed. This experience has shown that even under dire conditions, we are fully committed to helping our members. The 1199 SEIU Federal Credit Union has always offered multiple options for our members to do business with us, aside from coming into our credit union.

- You can open a checking account and receive an ATM/Debit card to have 24/7 access to your funds. You can withdraw money from any AllPoint ATM, surcharge-free, up to a limit of \$500 per 24 hour period from both checking and savings account. All Rite-Aid locations in the Bronx and Brooklyn have surcharge-free ATM's and all ATM's with the AllPoint logo are surcharge-free as well.
- Shared Branching allows you to go to any credit union that has the  logo and withdraw your money. Visit <https://co-opcreditunions.org/> to find the nearest Shared Branching location nearest you.
- You can also login to your accounts through our website at <http://www.1199federalcu.org>. From there, you can view your balances and make transfers and withdrawals.

Within the next few months, we will be unveiling a new phone app that will allow you to access your account directly from your smartphone. You will be able to view your balances and transfer from one account to another.

**Until we are back in our building, you may call our temporary number at (212) 603-1794.**

**You Will Always Have 24/7 Access!**

# Attention: Share Draft/ Checking Account Members – Debit Card Activation and PIN Selection

In addition to selecting your own personal identification number (PIN) for the automated response unit (ARU) and Netbranch for online access, we're happy to inform you that you can now select your own pin number for your ATM/Debit Visa Card.

**Please remember to always update your account information with us. For Multi-factor authentication purposes, the telephone number you're calling from must match your account info.**

Call us, fax or visit our website at <http://www.1199federalcu.org> and print out a Change of Address form. Alternatively, you can fill out the form above.
