Application approval will depend on your loan repayment ability, your established credit payment history with others, your length of employment, as well as other factors the Credit Union considered important to the repayment of the loan. Payroll deductions are considered a privilege and an employment benefit, not a guarantee that a loan will be made to the member, nor will it demonstrate that you can afford the loan payment required to satisfy your planned obligation. This service to you only avoids you having another bill at the end of each month and makes it easier for you to pay your obligations from your income. So please remember, it is a convenient service that we provide to you to help you save and may help you get a better credit rating over a period of time. Thank you for your application. Please understand that your Credit Union is special, in as much as we and your Union, want you to have a better financial life. Accordingly, when we cannot provide you with a favorable loan decision or amount you like, want or need, it is not that we do not want to provide you with the loan. More likely, it may cause you financial harm in the long run, if you cannot afford or can't demonstrate your ability to repay the loan from your resources. We have your best interests in mind and the rest of the membership, where other lenders may not. We are in the business of making loans; we can't always do what we want no matter how hard we try. Rates and terms and loan offerings are subject to change and or withdrawal, without prior notice. All loans are Risk Score rated except share secured loans. See reverse side for additional loan information and terms.

Exhibit Loan Processing

1. If a loan is approved, we will call the member to schedule an appointment with a loan officer; however, if the loan application is denied, we will mail a letter to the member as soon as a decision is made.
2. The purpose for all loans must be prudent and worthwhile. Please explain the purpose in brief on the loan application, **personal reasons is not an acceptable explanation.**
3. All the loan applications are processed by a loan processor and then reviewed by the loan officer.
4. The Credit Union requires credit search on all applications.
5. The interest rate determined for your loan is based on your credit score rating with Experian and the amount actually borrowed. Member must demonstrate their ability to afford and repay the loan requested. Unrated members may be offered a higher interest rate than rated members.
6. The Credit Union reserves the right to request a co-maker or additional guarantor on any loan. If a co-maker or a guarantor is requested and they are actively working, they will have to be employed for at least one year at their current job. If they are not employed, then we will need to see proof of active income (i.e., pension, social security, workmen's comp, etc.)
7. Members of the Board of Directors or Supervisory Committee of the 1199 SEIU Federal Credit Union cannot be a co-maker on any loan.
8. All debts owed by a loan other than one with our Credit Union must be disclosed on your application. Omission of such information can result in a loan being declined.
9. Each member granted a loan will be provided with a closed-end disbursement receipt detailing the borrower's payment requirements.
10. Members must update their address on file with the Credit Union with each change.
11. If disability occurs and the member has insurance on their loan, they must notify the Credit Union of the disability date immediately in order to start a claim process to cover payments while out sick.
12. A member that leaves their job for any reason, must contact the Credit Union immediately to set up payment arrangements.
