The Nominating Committee has met and submitted the following 2 nominees for the two open positions on the Board of Directors.

CHARISSE SIMPSON

My name is Charisse Simpson. This is my first term, and I am running again for Board of Directors. Being a new board member, I have learned a range of skills and would like the opportunity again to gain new skills. The attributes I do have is trustworthiness, honesty, hard-working, and the ability to listen. I am one of those team players that gets better with time.

JEAN JOACHIM

My name is Jean Joachim and I am an Outreach Coordinator with 1199 National Benefit and Pension Funds. I have worked with the Outreach Department since 2001 after a merger with Local 1115 where I worked as a Benefits Representative. I attended Long Island University from 1986 to 1990 majoring in Political Science. I currently serve on the 1199SEIU Federal Credit Union Board of Directors. My personal and professional philosophies are similar. They are to effectively aid those who do not have the ability, opportunity, or outlet to help themselves. I have used the platform given to me to not only solve benefit issues, but to also encourage our members to be proactive, become involved politically and take charge of their financial lives.

I believe if you empower people and give them the tools to navigate the twists and turns of life, they will succeed.

Additional Nominees

In addition to those persons nominated by the Nominating Committee, any member desiring to run for a position on the Board of Directors may be nominated by submitting a petition signed by 1% of the membership, a brief Statement of Qualification and a signed certificate stating that you are agreeable to the nomination and will serve if elected to office. Interested members should email Gina Newton, Chair at Gnewton@1199federalcu.org for further details.
