### **CEO'S MESSAGE**

Welcome to our 83rd annual meeting, I am Kathya Pierre, CEO of 1199 SEIU Federal Credit Union. It is my role to implement approved policies and to ensure that the goals established by the Board of Directors are met. I've been very lucky to have a great staff to assist me.

Our Credit Union continues to be financially healthy despite the state of the economy, and we are optimistic that 2023 will be more successful than the last. We understand how outside forces can affect you. We encourage members to look at our financial products to see if there is a way, we could lower their loan payments. As mentioned last year, we will continue to focus on increasing membership and expanding services.

We are here for you and your immediate family members, as we've always been. Please reach out to us and share your stories so we can craft a solution that is in your best interests.

While the world has changed a great deal, our commitment to serve you has never been stronger. We are working tirelessly on new initiatives intended to improve how we serve you and your financial needs.

On behalf of my staff and myself, thank you for continued loyalty and for choosing 1199 SEIU Federal Credit Union as your trusted financial partner. We look forward to a long and healthy relationship with you.

### **CHAIR'S MESSAGE**

Good evening all, my name is Aida Garcia. I would like to say that it is an honor and a privilege to represent the members of 1199 SEIU Federal Credit Union. All of us on the board are members of the credit union just like you. We have a vested interest in not just the financial success of our credit union, but the well-being of our fellow members. Our top priority as board members is to guide and support the management and employees in ensuring that the mission and values of 1199 SEIU Federal Credit Union are upheld. 1199 SEIU Federal Credit Union is better than a bank! We are better than a bank because we are a credit union. You are not a customer; you are a member-owner. You have a say in what we do. We took some very important steps to attain our long-term goals of serving you and we will continue to do so. Every goal will have our members in mind. We have no other reason to exist.

I would like to thank Our Chief Executive Officer, Kathya Pierre and her staff, as well as my fellow board members and Supervisory Committee members. They are the supporting pillars of this organization.

Thank you for allowing me to continue to serve you!

### SUPERVISORY COMMITTEE MESSAGE

Good evening everyone and welcome to our annual meeting. I am Gina Newton, Chair of the Supervisory Committee. The Supervisory Committee is comprised of 5 volunteer members appointed by the Board of Directors and functions independently of Credit Union management. The other members are Jean Kelly, Peter Vanamee, Charlotte Hackett, and Anthony Garcia.

The Supervisory Committee is responsible for the safety and soundness of 1199 SEIU Federal Credit Union by ensuring compliance with the Credit Union Act, Credit Union bylaws, and the National Credit Union Administration's rules & regulations. As an independent body, the Supervisory Committee ensures that the Board of Directors establish policies and procedures that properly safeguard members' assets.

We are responsible for the "Annual Supervisory Committee Audit". This audit ensures compliance with generally accepted accounting principles and fair presentation of our financial statements. Since this is a major undertaking the Supervisory Committee engaged the services of James Gurrieri, Certified Public Accountant. We also oversee the Internal Audit function and investigate members' grievances not resolved to their satisfaction by management. Because of our continuous monitoring of the Board of Directors & Management's activities, on-going Internal Reviews, and our Annual Supervisory Committee Audit we are confident that your money is safe. Also, the National Credit Union Administration Share Insurance Fund insures credit union accounts up to \$250,000. You are in Safe hands with 1199 SEIU Federal Credit Union.
