Get Your Tax Refund Faster with Direct Deposit

Your federal and state income tax refunds can be deposited directly into your Savings or Checking Account at the credit union. The Process Is:

Quick: Directly deposited tax refunds come weeks before checks in the mail.

Easy: Just check the Savings or Checking Account box, enter your credit union member number (not the last four digits of your social security number) and enter our routing number 226077862.

Convenient: You don't have to go to the credit union to make a deposit

Safe: Your check won't get lost or stolen in the mail.

If your tax return is a joint return, your refund must be deposited into a joint account. Direct deposit must go through the ACH process since we do not support wire transactions.
